

CERTIFICATE PROGRAM IN PROPHETIC MINISTRY

Duration: Six Months

Overview

The Certificate Program in Prophetic Ministry is designed to equip participants with a comprehensive understanding of the prophetic ministry. The curriculum blends biblical teachings, practical applications, and insights from recognized prophetic voices and scholars. By the end of the program, students will have a solid foundation in prophetic ministry, including the ability to discern and deliver prophetic words, understand the role of prophets in the church, and integrate prophetic insights into their daily lives.
